On the space provided on the following pages, tell:

1. Who violated your rights;
2. What each defendant did;
3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

My rights were violated on March 1, 2020 around
10:30 p.m. when I was stopped by Tro. Brayden
Angermeier (ISP). I was behind the wheel due to my fiancé
being on her medication and her not being able to see at
night on State Rd 69 due to heavy rain and extremely
hazardous conditions that were life threatening to myself,
her, and three children in the back under the ages
of 13 years old. I was detained for allegedly driving as
a Habitual Traffic Violator for Life. My fiancé was told that
her license were suspended as well due to incorrect outdated

information from the BMV. I stated to the trooper that I was detained in Vanderburgh County on the same charge because of my information being outdated due to the BMV in August 15, 2019. I had to sit in Vanderburgh County until October 16, 2019 when my case was dismissed because they got the correct information only because I was suppose to go to trial the next day. I plead guilty to a Habitual Traffic Violator for 10 years in 2006. I became eligible for my license in 2016 and they were reinstated to me. I explained to Trooper Angermeier of the outdated and incorrect information on my driving record but he insisted that I was not telling the truth. My fiancé even explained to him about her situation and he said the same thing. I have lost everything due to me being incarcerated for the second time on the same charge for incorrect information and the negligence of the employees at the BMV. It is imperative that you look into this situation and get it cleared up for me as soon as possible.

C. JURISDICTION

☒ I am suing for a violation of federal law under 28 U.S.C. § 1331.

OR

☒ I am suing under state law. The state citizenship of the plaintiff(s) is (are) different from the state citizenship of every defendant, and the amount of money at stake in this case (not counting interest and costs) is \$ 30,000.

D. RELIEF WANTED

Describe what you want the court to do if you win your lawsuit. Examples may include an award of money or an order telling defendants to do something or stop doing something.

I would like to be compensated for the loss of my jobs
for the time spent incarcerated due to the improper and
outdated information on my record. My children had to
watch their father being taken away off by an officer
who was sworn to protect and serve the citizens and leave
them in a life threatening situation because of the conditions on
the road. I have had my 2003 cadillac deville towed
and sold by the towing company because of the offense
I allegedly committed that cause me to be incarcerated.
I have a suffered a great amount of loss and suffering
due to this situation and as of right now I'm
still suffering along with my kids, fiancé, and other family members.
